St. Thomas Marine Unit Boat Ramp and Vessel Maintenance Facility Open Houses

United States (U.S.) Customs and Border Protection (CBP) will hold two open house meetings regarding the Environmental Assessment (EA) for the proposed construction, operation, and maintenance of a new Boat Ramp and Vessel Maintenance Facility for the St. Thomas Marine Unit.

The first Open House will be held in person on **Wednesday, December 9, 2026, from 4:00pm to 7:00 pm** at the St. John Annex in the Cleone H. Creque Legislative Conference Room, located at St. John, 1d Great Cruz Bay Road, Cruz Bay, St. John, USVI, 00830.

The second Open House will be held in person on **Thursday, December 10, 2026, from 4:00 pm to 7:00 pm** at the Emerald Beach Resort in the Hibiscus Room, located at 8070 Lindburgh Bay, St. Thomas, USVI, 00802.

Community members are encouraged to attend one of the open houses to learn about the proposed project, discuss questions and concerns with subject matter experts and CBP personnel, as well as have the opportunity to provide formal comments.
