The V.I. Fire and Emergency Medical Services (VIFEMS) has announced the hospitalization of its Director Daryl A. George Sr., following a medical emergency.

In light of the situation, the VIFEMS has asked the community for their understanding and cooperation. "We kindly request your support during this challenging time by respecting his and his family's privacy," the department said in a statement. It further urged the public to avoid spreading speculative information, emphasizing that any official updates regarding Mr. George's condition will come directly from the VIFEMS.

The department expressed gratitude for the community's continued trust and support, stating, "Your prayers and cooperation are greatly appreciated as the VIFEMS continues its mission to

provide safety, service, and satisfaction to the residents of this territory. Thank you for continued trust in our services."

People familiar with the matter told the Consortium that Mr. George was hospitalized Friday after falling severely ill.
