The Juvenile Justice State Advisory Group (SAG) Board, in collaboration with crime prevention, community, faith-based, government, and business partners, announced on Thursday territory-wide activities for the 2024 Virgin Islands National Night Out Against Crime and Drugs. This annual local and nationwide initiative fosters police-community partnerships and neighborhood camaraderie.

By participating in the National Night Out, the U.S. Virgin Islands join communities throughout each of the 50 states, the U.S. territories, as well as American military bases. This participation contributes to the national cause while supporting a collective impact. This year's theme, "Get Involved, Make a Difference," is a call to action for all residents.

The schedule of events includes the following activities on each island:

- August 3, 2024: Gospel Explosion, Promenade by the Waterfront, 4 PM – 7 PM
- September 21, 2024: Night Out March/Health & Safety Fair, Joseph Aubain Ball Park, Frenchtown, 5 PM – 9 PM

St. John

Additionally, throughout the months of October and November, school and community Night Out presentations will continue at various public and parochial schools territory-wide.
