Additionally, the airline is offering the chance for 100 lucky consumers to win their own Gold or Silver in the form of Gold or Silver FRONTIER Miles Elite Status for a year. Fifty winners will be awarded Elite Gold Status and another 50 awarded Elite Silver Status through a random drawing.

“We’re going for the gold with our ‘G.O.A.T.’ sale,” said Tyri Squyres, vice president of marketing, Frontier Airlines. “With destinations from coast to coast, plus the Caribbean and beyond, now is the time to celebrate victory with an amazing flight deal. Plus, we’ll give 100 lucky winners the champion treatment for a year with complimentary FRONTIER Miles Elite Status!”

Frontier Airlines said its Elite Status is the most rewarding program in the sky, elevating the travel experience for members with perks including priority boarding, premium seating, and more. To learn more about Frontier’s Elite Status tiers and benefits, [click here](#).

Frontier Airlines said it recently introduced sweeping changes to its product and customer service offerings, ushering in ‘The New Frontier’ for the airline. Underscoring its commitment to providing exceptional value and a superior travel experience, ‘The New Frontier’ provides more transparency through upfront pricing and options to meet various customers’ needs and budgets. Through no change or cancellation fees, a ‘For Less’ Price Guarantee, longer flight credit windows and more, America’s Greenest Airline is improving what customers can expect and delivering the best price for their travel needs.

Frontier now offers UpFront Plus, a new upgraded seating option with extra leg and elbow room in the first two rows of the aircraft. Customers in UpFront Plus will enjoy a window or aisle seat with extra legroom and a guaranteed empty middle seat.

The airline’s recently reimagined, industry-leading frequent flyer program, FRONTIER Miles, enables consumers to ‘Get It All For Less.’ Customers earn miles fast and get rewarded for each dollar spent on Frontier products. Miles accrue based on dollars spent with a standard 10X multiplier: \$1 = 10 miles. Mileage multipliers increase at every elite level up to 20X. Elite status enables members to enjoy benefits like priority boarding, free seat selection, no change or cancel fees when changes are made seven days or more in advance of flight departure, and free bag(s) at Gold, Diamond, and Platinum levels. Like the airline, FRONTIER Miles is family friendly, and the program makes it easy for families to enjoy the rewards together, including family pooling of miles. [Joining is free](#).
