St. Croix Central High School is inviting the local community to join an evening of holiday magic and charity at its upcoming Winter Wonderland Dinner & Auction. This festive event, scheduled for December 1, 2024, aims to raise funds for the school's Class of 2025, helping them cover expenses for their upcoming class cruise, a memorable and educational experience planned for next year.

Event details:

- Date: Sunday, December 1, 2024
- Time: 5:00 p.m.
- Location: Sidney Lee Theater, St. Croix
- Tickets: \$50 in advance, \$60 at the door
- Dress Code: Festive Cocktail Attire

Attendees can expect a night filled with holiday cheer, good food, and unique shopping opportunities, all in support of the senior class, according to CHS. Hosted by Emcee Nay, the Winter Wonderland Dinner & Auction promises array of exclusive auction items. From vacation packages to luxury perfumes, jewelry, electronics, and one-of-a-kind artwork, the auction has something for everyone, making it an ideal occasion for early holiday shopping with a charitable twist, CHS said.

Tickets for the event can be purchased at St. Croix Central High School or by contacting 340-642-0523 for additional details. Purchasing tickets in advance is recommended to secure entry and save on the at-door price.

The evening is organized with the help of Starlight Promotions, known for delivering delivering quality experiences. The Sidney Lee Theater will be transformed into a winter-themed wonderland, creating an enchanting setting for guests to enjoy while they support a meaningful cause.

The fundraiser is more than just an auction; it represents an important step toward making the Class of 2025's class cruise possible. Proceeds from ticket sales and auction items will go directly toward covering the costs associated with this trip, giving students an opportunity to experience the world beyond their island and enrich their education.

St. Croix Central High School appreciates the community's support in turning this dream into reality. By attending the Winter Wonderland event, participants are directly contributing to an unforgettable experience for the graduating class.
