The V.I. Waste Management Authority on Monday announced delays in house-to-house waste collection services across several areas on St. Croix, citing inclement weather as the primary cause.

The affected areas include Estate Grove, Estate Plessen, Estate Cane (behind the Sunshine Mall), Mount Pleasant, Paradise, Frederiksted Town, Adventure, and Diamond West. According to

VIWMA, efforts are underway to complete waste collection in these locations as quickly as possible.

“We apologize for any inconvenience this may cause and rely on your cooperation as we are working to resume our regular service schedule,” the authority stated.

The announcement encourages residents to remain patient as crews work to address the delays. For additional information, residents can contact the Division of Education and Communications Management at 340-474-2811 or email [communications@viwma.org](mailto:communications@viwma.org).
