Royal Furniture is gearing up for Black Friday with an expansive sale that promises unmatched discounts on a variety of furniture items, including bedroom sets, dining tables, and living room ensembles. The sale, set to kick off at 5 a.m. on Black Friday, aims to attract eager shoppers looking to revamp their homes for the holiday season with

stylish and affordable furniture.

Exclusive Black Friday Offers on Bedroom Sets

Celebrating its 40th year in business, Royal Furniture has gone the extra mile this Black Friday with incredible deals in all categories. For bedroom furniture, shoppers can choose from an array of 5-piece bedroom sets featuring bed frames, dressers, mirrors, and nightstands. Discounts are substantial, with queen-sized sets priced at \$1,999 (originally \$2,299) and king-sized sets at \$2,199 (originally \$2,499). Customers will also receive a complimentary comforter with every bedroom set purchase.

Additionally, budget-conscious customers can take advantage of discounted 4-piece bedroom sets, with prices starting at \$699 for full or queen sets and \$849 for king-sized options. A variety of matching pieces, including chests and dressers, are also available at reduced prices.

Dining Room Sets to Enhance Holiday Gatherings

Royal Furniture's sale also extends to dining room sets, ensuring customers can host holiday dinners in style. Seven-piece dining sets, complete with one table and six chairs, are available for as low as \$699. For those seeking contemporary aesthetics, a six-piece set featuring a table, four chairs, and a bench is priced at \$599.

Shoppers can also select from round dining tables and counter-height options, with multiple designs offered in various color palettes to suit any interior. Prices for these sets start at an affordable \$489, allowing shoppers to find the perfect dining solution at a fraction of the regular cost.

Living Room Discounts Featuring Modular and Sectional Sofas

For living room upgrades, Royal Furniture's Black Friday sale delivers significant savings on sofas and sectional sets. A five-piece modular reclining sectional, available in two colors, is priced at \$1,299, down from its original price of \$2,499. Three-piece sectional sets featuring pull-out beds and storage ottomans are available for \$1,197, while two-piece living room sets start at just \$1,199.

Customers can also explore additional savings on recliners, with options starting as low as \$399, available in a range of styles and colors to complement any living room decor.

Accessories, Bedding, and Kitchen Deals

Beyond furniture, Royal Furniture is offering discounts on home accessories and essentials. Bedding and kitchen items are marked down by 20%, while curtain rods are available at 25% off. Shoppers can also enjoy 30% off accessories, including vases, wall decor, and scented candles, adding a personal touch to their homes.

Appliance Savings on Top Brands

The Black Friday sale includes deals on appliances as well. Customers can find Frigidaire refrigerators, stoves, and dishwashers at steep discounts, with prices starting at \$399. Shoppers purchasing two or more appliances will receive a free vacuum,

providing additional value to their purchases.

Free Delivery and Assembly

To make the shopping experience seamless, Royal Furniture is offering free delivery and assembly services, ensuring customers can enjoy their new furniture and appliances without hassle.

Located at 6307 Peters Rest, St. Croix, Royal Furniture invites the community to shop early for the best deals. For more information, contact Royal Furniture at (340) 773-3290.
