Wholesale Fuel Prices from Sol Petroleum

The wholesale rack rates from Sol Petroleum, a major fuel supplier in the territory, are as follows:

- Regular Fuel: \$2.54 per gallon
- Premium Fuel: \$2.68 per gallon
- Diesel Fuel: \$2.93 per gallon

The DLCA conducts regular fuel price surveys to inform consumers of the most affordable fuel options across the islands and promote market transparency.

The agency reminds fuel station owners that it is illegal to sell fuel without publicly displaying price information. Under 12A V.I.C. § 202, gas stations must clearly post the minimum octane rating, retail price per gallon, and applicable taxes for each fuel blend.

Additionally, under 12A V.I.C. § 207, all gas stations must provide a functioning air hose for public use during normal business hours. Non-compliance could result in fines of up to \$100 per violation.
