The Office of Management and Budget has announced that the 2025 Spring Revenue Estimating Conference will be held on Friday, March 21 at 9:00 a.m. at the 360 Harbor building in Yacht Haven Grande, St. Thomas.

The conference, required by law, will bring together key government agencies, semi-autonomous entities, and stakeholders to present financial insights that will help shape the Fiscal Year 2026

Executive Budget.

To ensure transparency and accessibility, the conference will be live-streamed on the Facebook pages of OMB, WTJX, and Government House, according to the release. This will allow the public to stay informed about the territory's revenue projections, financial strategies, and economic outlook for the coming fiscal year.

During the conference, presentations will be made by several revenue-generating agencies, along with semi-autonomous government entities and financial experts. These presentations will offer critical insight into the territory's economic forecast, revenue trends, and financial landscape, helping officials prepare for budgetary decisions and economic planning.
