ST. CROIX — Police on Saturday arrested 24-year-old Dasha Graham of Candido Guadalupe Terrace at around 9:20 p.m. on a first-degree arson charge, V.I.P.D. Public Information Officer Toby Derima has announced.

According to the police report, earlier that day, the 911 Emergency Call Center received a report of a car fire in Estate La Reine. An Investigation into the matter revealed that the vehicle was owned by a female who was formerly in a relationship with Graham, and that Graham was the individual who set the vehicle on fire.

Graham was previously arrested on February 5 for entering the same victim's home without permission, taking items, and assaulting her, Mr. Derima said.

He was remanded to the Golden Grove Detention Facility pending his court appearance.
