WWTS LLC, a participant in the **Virgin Islands Economic Development Incentive Program**, has announced a procurement requirement to purchase goods and services locally in the U.S. Virgin Islands to the maximum extent practicable. The company regularly seeks the following goods and services:

- Ice cream suppliers
- Restaurant equipment maintenance
- Electricians
- Printing services for merchandise (shirts, hats, etc.)
- Suppliers of plastic cups, paper bags, condiments, restaurant equipment, and related items

Businesses interested in providing these goods or services may contact:

Kervin Donovan

Telephone: (340) 514-5411

Virgin Islands businesses that qualify as **Eligible Virgin Islands Suppliers**, as defined by the **Virgin Islands Economic Development Commission (VIEDC) Rules and Regulations**, but are not currently included on the VIEDC's list of eligible suppliers, are encouraged to apply for certification through the Chief Executive Officer of the VIEDC.

Applications for certification are available online at www.usvieda.org or by contacting the VIEDC. Completed applications should be submitted to one of the following offices:
