A total of 970 voters cast ballots territory-wide as early voting opened Monday for the 2026 primary election, with St. Croix recording the highest first-day participation.

The Elections System reported 509 early voters on St. Croix, 458 on St. Thomas and three on St. John. Early voting will continue through Wednesday, July 29, ahead of Primary Election Day on August 1.

Supervisor of Elections Caroline F. Fawkes said early voting provides voters with a convenient, secure and accessible way to participate in the election on a schedule that works for them. Voting before August 1 also allows residents to avoid potential lines on Primary Election Day.

On St. John, early voting will take place from July 23 through July 29, with daily hours from 9 a.m. to 4 p.m.
