ST. CROIX — Executive Security Officer Eustace Charles, who was found fatally shot inside a vehicle in Williams Delight early Sunday, was assigned to Lt. Gov. Tregenza Roach's security detail, Gov. Albert Bryan Jr. disclosed while describing the killing as a devastating loss to the

government family.

Charles, 51, was a V.I. Police Department officer assigned to the Executive Security Unit. VIPD and the Federal Bureau of Investigation are jointly investigating his death, and police said the person responsible remained at large.

The Roach-Francis campaign had advertised a motorcade and community rally on St. Croix for Sunday ahead of the Aug. 1 primary election. The promotional material listed a 10 a.m. assembly, an 11 a.m. motorcade and a rally beginning at 4 p.m. at the campaign's St. Croix headquarters. The campaign has since announced that "out of respect for Agent Charles and to allow the Virgin Islands Police Department to devote its personnel and resources fully to the investigation, the campaign has postponed its motorcade scheduled to begin at 11 a.m. today on St. Croix."

The governor described Mr. Charles as a valued member of both VIPD and the Office of the Governor.

"Officer Charles was a valued member of the Virgin Islands Police Department's Executive Security Unit and a dedicated member of the Office of the Governor family. He was assigned to the lieutenant governor's security detail and served with professionalism, commitment and a deep sense of responsibility."

Mr. Bryan said the loss was being felt throughout the offices of the governor and lieutenant governor.

"His death is a devastating loss to the Executive Security Unit and to the entire family at the Office of the Governor and the Office of the Lieutenant Governor. Those who worked alongside Officer Charles knew him as a dependable colleague and public servant who took great pride in protecting others."

The governor said he and Mr. Roach were extending their condolences to the officer's family, loved ones and colleagues.

"Lieutenant Governor Tregenza A. Roach, Esq., and I extend our deepest condolences to Officer Charles' family, loved ones, fellow officers and colleagues during this extraordinarily painful time. We grieve with them and will stand beside them as they confront this unimaginable loss."

Mr. Bryan called for those responsible to be identified and brought to justice.

“This heinous act of violence has taken a valued life and shaken our government family. I share the anger and disbelief felt by so many across our community, and I expect a thorough investigation to ensure that the person or persons responsible are swiftly brought to justice.”
