This post is sponsored by Juan F. Luis Hospital and Medical Center: The Governor Juan F. Luis Hospital and Medical Center is pleased to announce its Debt Amnesty Program for individuals with unpaid hospital bills.

The debt amnesty program, which runs through January 31, 2015, provides an incentive for residents to resolve outstanding debts owed to the hospital.

The program allows for various payment options, including a 40 percent discount for past due balances based on the length of the payment schedule and it is available for all inpatient and outpatient services.

All current and past patients of the Governor Juan Luis Hospital, including employees, may participate in this program.
