Free Church Health Screenings

Date: March 7, 2015 - 8:30am - 10:00am

Location: Hope SDA Church grounds, on the corner of the stoplight between Mon Bijou and Midland Road

Details: As part of their launch of a series of gospel meetings for the community, members of the Hope and Central Seventh-day Adventist Churches are inviting everyone to a day of FREE health screening services. Health professionals will be on hand to offer the following:

- HIV testing • Blood pressure screening • Blood sugar screening (please bring a snack if blood sugar is being checked) • Body fat percentage screening

At 11 a.m., the "Youth with a Vision 10,000" Gospel Series will kick off its two-week effort, where youth from both churches will share their experiences in developing a relationship with God.

Rotary Day Celebration
