The Virgin Islands Police Department has advised the motoring public that parking will no longer be allowed on the eastern side of Hess Road, across from the employee parking area for Limetree Terminals.

Hess Road is the road that travels south from the Sunny Isle stoplights, past Aqua Lounge and Napa, to the intersection of Routes 68 and 631.

“No Parking” signs are being erected by Department of Public Works. Vehicles found parking in that area will be cited by VIPD officers starting on Monday, May 18. The public’s cooperation is appreciated, the V.I.P.D. said.

For more information, please contact the Traffic Investigation Bureau at (340) 778-2211.
