ST. CROIX -- Violence is continuing to rock this island tonight as an attempted robbery at Napoleon's Pizza east, located across from Cost U Less occurred at about 10:00 p.m., The Virgin Islands Consortium can confirm.

But the store's owner did not simply allow the thieves to make away with the cash; as gunshots were exchanged during the incident, leaving the glass window of the business damaged with bullet holes before the suspects escaped.

Meanwhile, multiple shots were discharged in Campo Rico just as the robbery at Napoleon was ongoing. Gunshots were also discharged in Mon Bijou as police spread

thin tonight attempting to respond to every incident.

These occurrences follow two major crime incidents today. The first, [the homicide killing of Jermaine "Bird" Williams](#) in the parking lot of George's Christian Academy, while his wife was picking up their child. And a "gangster-style" [gunfight in Red Brick](#) that left up to four injured.

In light of the violence, the VIPD [has canceled](#) a pre-carnival Jump Up event planned for Saturday morning.

Developing story...
