ST. CROIX -- The Superintendent of Schools here Colleen Mae Williams is informing parents and students of Alfredo Andrews Elementary School that classes will resume at the normal time of 7:45 a.m. on Monday, October 5 following the successful repair of a water main line that was damaged at the school last Wednesday night.

School buses will transport students to and from their usual pick up and drop off locations.

Alfredo Andrews students were dismissed early on October 1 and classes were canceled on October 2 as crews worked to repair the damaged pipe, which required the school's

water supply to be shut off.

For more information, call (340) 773-1095 x7096.
