ST. THOMAS -- International Capital & Management Company (ICMC) is hosting an information session about the Accelerated Career Development Program (ACDP) at its main office at 1600 Kongens Gade here on Tuesday, December 29, from 2:00 pm -- 4:00 p.m. According to a release issued on Thursday, the information session is open to residents who are college seniors or persons who graduated within the past 2 years from an undergraduate or graduate program, and gives them an opportunity of employment with the company.

ICMC's Accelerated Career Development Program provides recent college graduates with the opportunity to move back to the territory and work within several departments in the company, according to the release. The firm, a strategic business advisory consulting company, provides operational excellence, project management, information technology, marketing and business services, finance and planning, accounting, treasury, supply chain and other services. ACDP stakeholders gain face-to-face exposure to clients and work on high impact projects while furthering their professional development, the release goes on.

These information sessions provide potential candidates with the opportunity to hear about career opportunities at ICMC and to ask questions of current stakeholders and alumni of the program. The dress code will be business attire and hors d'oeuvres and refreshments will be provided. You may RSVP to the information session by email to ACDPinfo@icmcvi.com.
