ST. CROIX -- The Virgin Islands Police Department is seeking residents help in locating 17-year-old Abijah Issac, according to a press release issued this morning. This is not the first time that the young man has been unfindable. In August of last year, a missing person report was filed with the V.I.P.D. for Mr. Issac, who had gone missing [for almost three weeks](#).

According to the release, Mr. Issac stands at 5'9", has a brown complexion, black hair, brown eyes, and weighs approximately 145 pounds. He frequently visits the Sion farm basketball court, and the Sion Hill, Sunny Isles, and Tan Tan Terrace areas.

Mr. Issac was last seen on Saturday, February 20, 2016 at his residence, located #54 Sion Farm. If located, notify 911 or Juvenile Investigation Bureau at 340-712-6029 or 778-2211, and ask for Deputy T. Willock.
