Due to WAPA water service interruptions on St. Croix that have affected Central High School and Elena Christian Jr. High School, both schools will be officially dismissed at 1:00 p.m. today, Friday, March 4, 2016, according to a Department of Education press release.

Students are currently being served lunch. Buses will arrive at the schools at 1:00 p.m. to transport students to their regular drop-off locations. Parents wishing to pick up their children before 1:00 p.m. are reminded to follow the proper procedures to sign students out. Parents are asked to make the appropriate arrangements to ensure their children are properly supervised for the remainder of the school day.
