In this week's [I'm Making It Happen](#) interview, Nykole Tyson sits with Yoki Hanley of [itiba, LLC](#), a successful natural skin care company on St. Croix. Ms. Hanley, drawing from experience, says "there's no such thing as friends and family in business." Listen as she explains why, and how she's developed a company that's now being recognized on a global level.

All past interviews, go [here](#).
