CLASSROOM RULES

Foundation for all my rules is
RESPECT. Respect yourself,
teachers, and fellow classmates.

Be on-time daily in the proper uniform and come
with required materials. (You interrupt instructions
and miss important instructions when you're
late. Three unexcused absences will be referred
to the counselor and your parents/guardian will be
notified.)

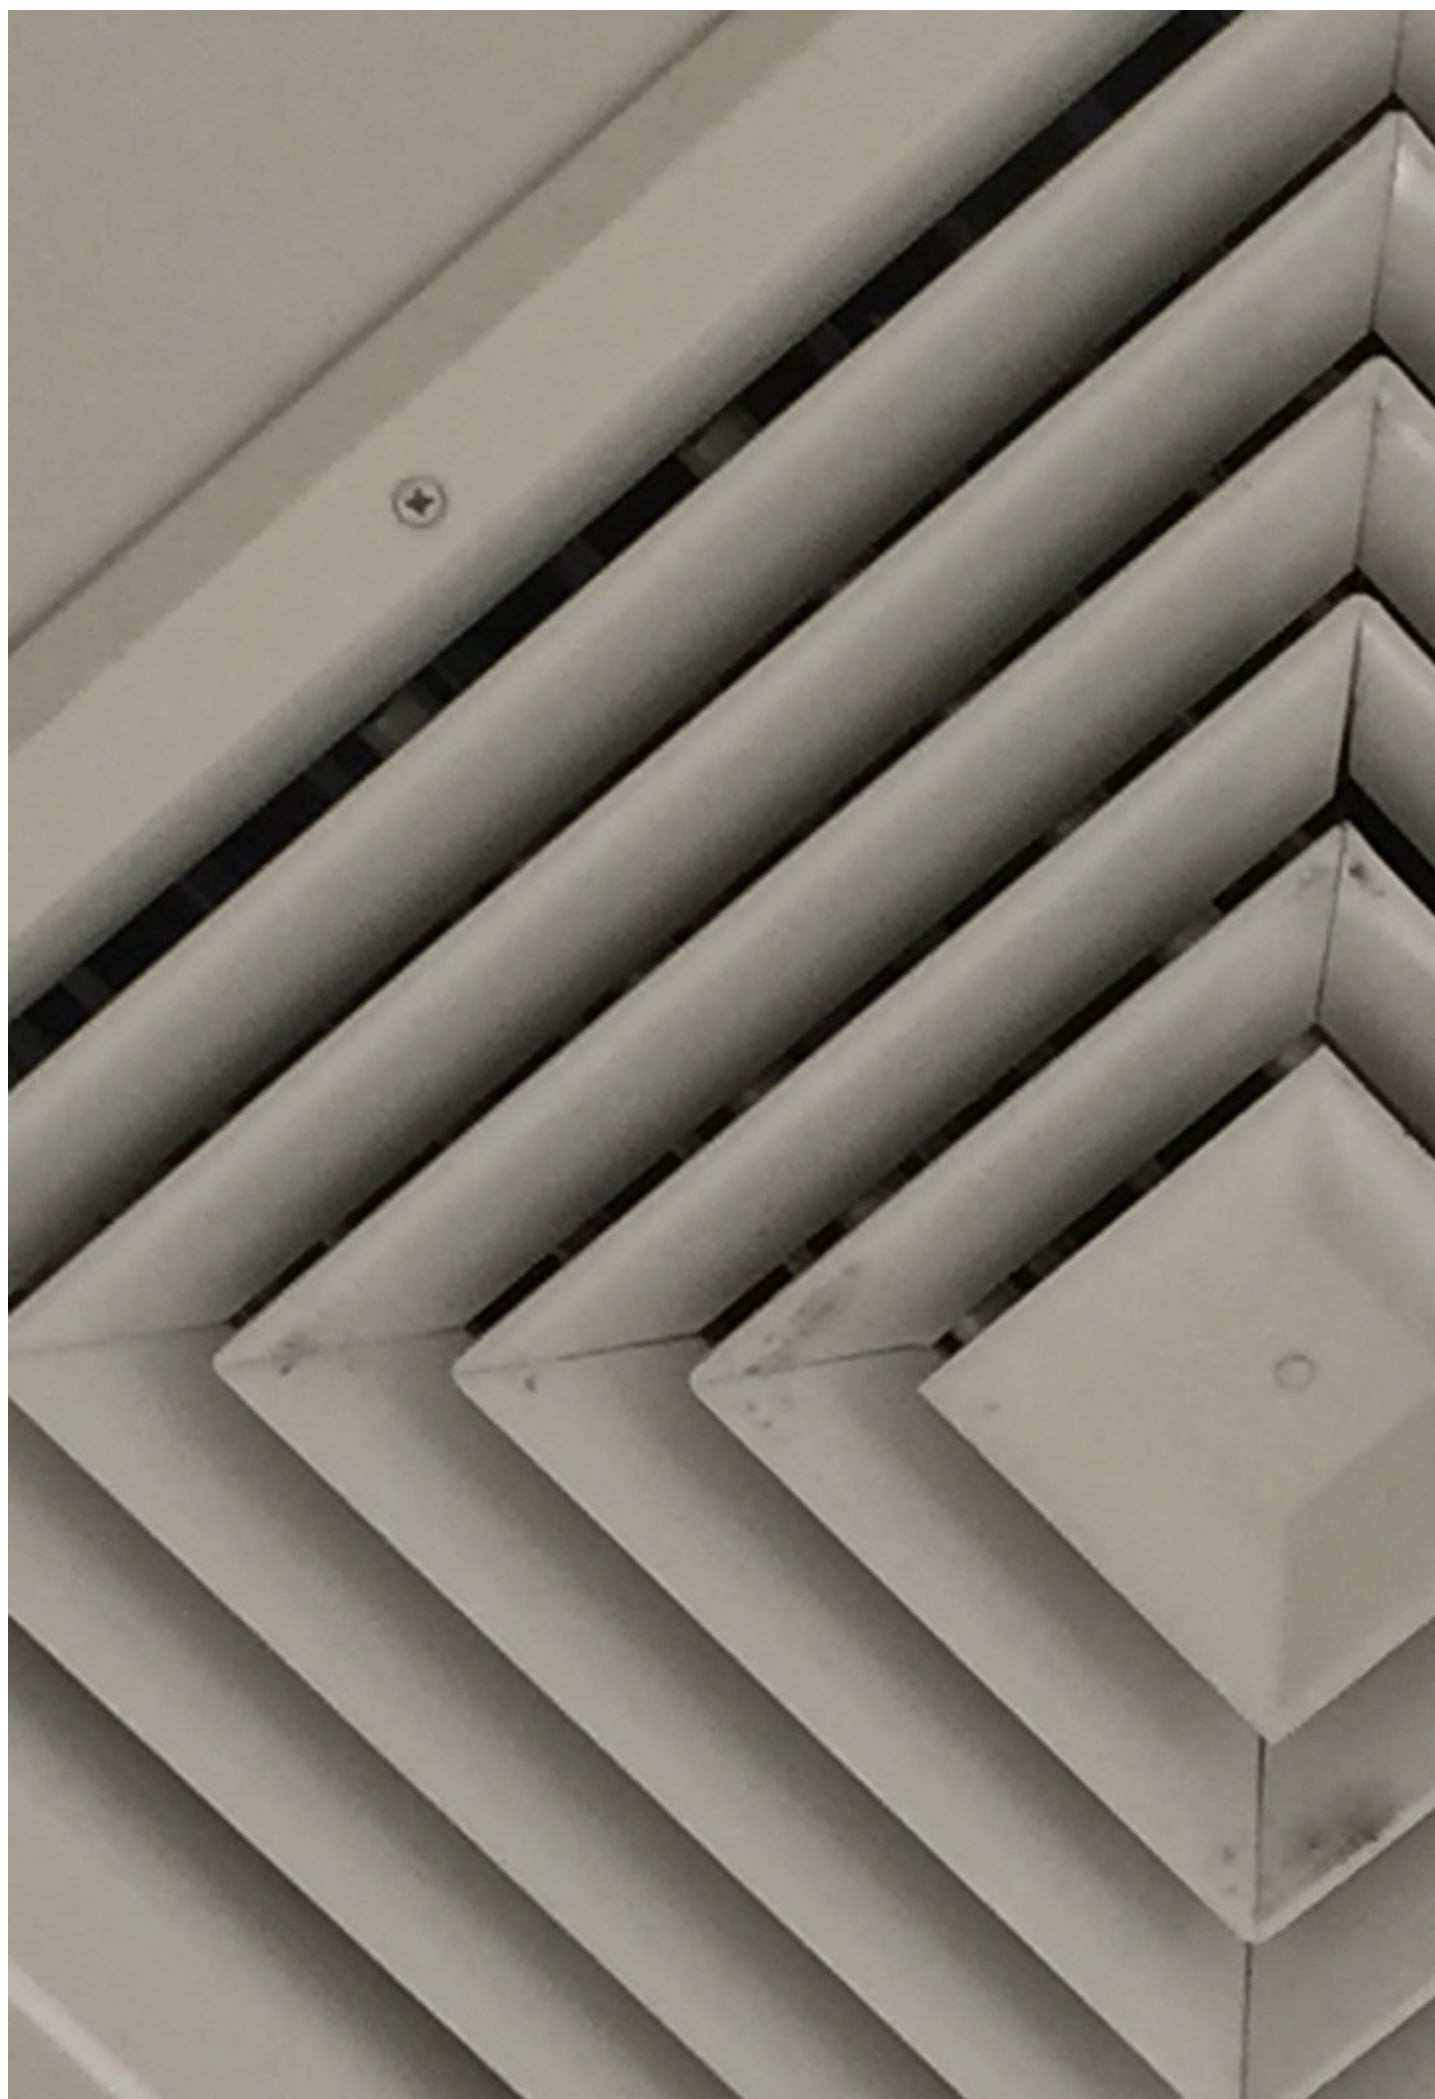

Listen during instructions and wait your turn to speak.
(Be quietly and wait patiently to be called upon).

Be nice to everyone and use your words to express
yourself. (Yelling, cursing, bullying, hitting,
threats, and mishandling of equipment will not be
tolerated.)

No eating, drinking, and chewing gum in the
classroom. (Make sure you eat and drink between classes,
before and after school. Food and
beverage equipment and encourage ants and
other insects. You will not be allowed to leave the
room or pick-up anything to drink or eat.)

No using cell phones during instructions, unless
explicit permission to do so for a class assignment.
No using cell phones in the classroom without my
explicit permission. I will be the end of the class
period. I will be the end of the class
period. I will be the end of the class
period.
