The Virgin Islands Water and Power Authority has scheduled service interruption to a small section of St. Thomas feeder 7D on Friday, July 7, from 9 a.m. to 12 p.m. Service will be interrupted to customers in the Frydendahl and Coki Point areas, while crews transfer lines to new poles.

While the work is in progress on Coki Point Road, motorists in the area are advised to use extreme caution and to observe traffic directions for the safety of the crews and the public.

Every effort will be made to restore electrical service as quickly as possible.
