Denise Cromwell Brown is a Virgin Islander who has found major success employed at BP in Texas as a chemical engineer, and has been in the industry for over 17 years. She is now giving back to her community by providing eight scholarships to local students territory-wide, to include funds and two mentors per student. In the video below, Mrs. Brown talks about the effort, and the importance of supporting the youth. Watch. Story goes live Monday. More related videos on Sunday.
