Dear Potential Sponsor,

Due to the COVID-19 Pandemic and the Closing of Schools... Our Kids have been Isolated at Home for Months...

Are they O.K.? Are they Healthy: Physically/Mentally/Emotionally? Their World has been Turned Up-side Down as well...

St. Croix Kids-USVI is organizing a "Curb-side" Carnival & WELLNESS Check. We intend to provide a FREE mobile neighborhood "Task Force" of Various Community Resources designed to Entertain and Check on Our KIDS,

CLOWNS / BALLOONS/ MUSIC and FREE TREATS will Draw the kids out and Let them Know “WE CARE”... While children enjoy their brief Curbside Visit.... Counselors and other Team Members will be able to determine the Wellness of the Child (Physical / Mental Health / Learning Needs / and Family Resources Needed),

We are looking for sponsors to help fund our “Curbside Carnival” Project.

If you agree to be one of our Sponsors, we assure you that You and/or Your Company or Organization name will get mentioned in All major displays and ads promoting this event, as well as, an Opportunity to include Your Business Material in “CARE PACKAGES” to be Distributed during this Tour.

We hope that we can count on you to help US reach Out to and Check on the KIDS on the island.

(It Takes a Village....)

Thanking you in advance for your Sponsorship to this “MUCH NEEDED” Project. Please feel free to contact us at 1(340) 474-1206.
