ST. THOMAS -- The Department of Education (D.O.E.) on Tuesday announced the opening of the Lockhart Elementary School on Monday, November 13, a move that sees all the territory's schools -- though in double sessions -- opening to USVI students for learning. Lockhart Elementary will operate on its normal schedule from 8:00 a.m. to 2:45 p.m. The bus schedule remains the same, to include transportation for special needs students, D.O.E. said.

The Gladys Abraham Elementary School will have its Open House and Parent Help Sessions on Wednesday, November 8, 2017 at 4:30 p.m. at the Ulla F. Muller Elementary School. Parents are encouraged to bring copies of their child or children's immunization cards and be prepared to update demographic records. Physical Education

(PE) uniforms will also be available for purchase.

The Jane E. Tuitt Primary School will also have its Open House on Friday, November 10, 2017 at 1:00 p.m. at the school. Parents and guardians will have the opportunity to meet with the principal, teachers and paraprofessionals; learn school rules and expectations; and view students' progress thus far.

D.O.E. also announced that its Adult Continuing Education (ACE) Program will open registration for its first semester of the Evening High School Diploma program from Monday, November 13, 2017 to Friday, November 17. Classes are scheduled to begin on Monday, November 20 at the Charlotte Amalie High School campus.

For more information, or to register for classes, please visit the ACE Office at the Charlotte Amalie High School from 5:30 – 8:00 p.m.

The Adult Education Literacy Center located on Garden Street has reopened registration to interested members of the community. Courses offered are Adult Basic (Literacy/Numeracy), Pre-GED Prep and ESL. Registration is free and a valid photo ID is required.

St. Croix District

D.O.E. announced that effective Wednesday, the bus pick-up point in front of the Arthur A. Richards Junior High School will be moved to the Walter I. M. Hodge Housing Community (Sufferally) nearby the AT&T tower. The bus services students attending the afternoon session at the Educational Complex School campus.

The St. Croix Educational Complex High School announces a meeting for seniors and their parents on Thursday, November 9, 2017 at 5:30 p.m. in the school's cafeteria.

Correction: Nov. 7, 2017

A previous version of this story, because of a Department of Education error, incorrectly stated that the Ulla F. Muller Elementary School would host a Open House and Parent Help Sessions on Wednesday. The Gladys Abraham Elementary will be hosting the event at the Ulla F. Muller Elementary School on Wednesday. The story has been updated to reflect the correct information.
