Governor Kenneth Mapp held a 1:00 p.m. press conference today, announcing billions of dollars in federal aid to the U.S. Virgin Islands and Puerto Rico, which was passed as part of the U.S. budget bill that included \$89 billion in disaster aid for U.S. states and territories affected by last year's hurricanes, flooding and fires. Watch it below. Stories go live later today. (Start watching from the 3-minute mark.)
