ST. CROIX -- On Friday from 12 a.m. to 3 a.m., electrical service will be interrupted to a portion of St. Croix Feeder 8B, affecting customers in Estates Hannah's Rest, Whim, Williams Delight, Frederiksted, Enfield Green, Mountain and Two Williams, WAPA advised Thursday.

The service interruption will allow crews to connect the riser pole at the Randall "Doc" James Racetrack, and energize surrounding customers

Motorists traversing the areas where work is being performed are asked to proceed with caution, for the safety of crews and other drivers.

The authority apologized for any inconvenience caused by this service interruption and assured customers that every effort will be made to restore electrical service as quickly as possible.
