The U.S. Small Business Administration (SBA) announced today that all of the Disaster Loan Outreach Centers in the Virgin Islands will permanently close at the end of this week. As of the close of business on June 26, SBA approved 7,458 disaster loans for more than \$515.7 million for hurricanes Irma and Maria.

SBA's Customer Service Representatives have been at each center to provide information about disaster loans, answer questions and help survivors complete their SBA application. Businesses and residents that want to meet with an SBA representative and apply for assistance should visit the nearest center before it closes. The center locations and hours of operation are indicated below.
