ST. CROIX -- The Department of Education announced on Wednesday that the Elena L. Christian Junior High School will be housed at the former Manor School in La Grande Princesse for the 2018-19 school year.

St. Croix District Insular Superintendent Colleen Mae Williams, thanked the community for its patience as the district sought to find a suitable location for the school, according to the release.

"It was quite the challenge finding a location for our Elena Christian students, but the best outcome was to house them at the old Manor School," Ms. Williams said. "We hope this

will ease some growing concerns brought forth by the St. Croix community. The Elena Christian administration along with my District office look forward to a great and productive school year for the Simbas.”

According to the release, students will continue to wear the gold and navy Elena Christian school uniform. In addition, all bus stop locations and pick up times will remain the same. Orientation dates for all St. Croix public junior high schools, including John H. Woodson, Elena L. Christian and Arthur A. Richards, will be officially announced on August 29.

The former Manor School campus is in close proximity to the original Elena Christian Jr. High School building, which was shuttered in 2015 for repairs. For more information, contact the Office of Public Relations at 340-774-0100 ext. 8136.
