Mic Love performed his hit single "VI to the Bone" on Fox's "Good Day New York" this morning. Preceding him was USVI Dept. of Tourism Communications Director Alani Henneman Todman, who promoted the territory masterfully. The appearance was part of the territory's strong presence in New York over the Labor Day weekend to promote the upcoming festivals and carnival, beginning with the 2019-2020 Crucian Christmas Festival. Other events this weekend include a VI Ambassador showcase at 6:30 this evening featuring top acts such as Mic Love, Adam O., Spectrum Band, DJ Kuntry, and others. And on Sunday the USVI brings the Caribbean together for the 20th annual

Caribbean Cultural Festival, organized by Virgin Islands United, Inc. Both events will be carried live on VI Consortium
