The U.S.V.I Dept. of Tourism held what can be considered a memorable USVI Ambassadors event in Ft. Lauderdale Florida on Friday at The Dalmar Hotel. Joseph B Boschulte, commissioner of the department, has said part of the mission is to get USVI diaspora excited about their homeland again, and to return home and invite their stateside friends as well. At the event, USVI Division of Festivals officials spoke of unity for the territory's carnival and festivals moving forward. The team also unveiled the 2019-2020 Crucian Christmas Festival poster, and the official USVI Division of Festivals logo. Here are some highlights.
