ST. CROIX — The Virgin Islands Police Department said Tuesday it has identified the body found in bushes east of Cramer Park [on April 28](#).

According to V.I.P.D. Public Information Officer Toby Derima, DNA testing revealed the remains to be that of 19-year-old Emanuel Moise. The cause of death was determined to be from multiple gunshot wounds sustained by the victim.

Mr. Derima said an investigation continues into this matter.

The police force is asking anyone with information regarding this homicide to call 911, the Crime TipLine at (340) 778-4950, or Crime Stoppers USVI at (800) 222-TIPS.

Remember, if you see something, say something.
