Staff Consortium **October 08, 2020**

Beginning today the Department of Health will be hosting immunization events to offer Influenza vaccines to all adult residents throughout the territory, the department has announced. The first event will be held on St. Croix at the University of the Virgin Islands campus.

Listed [here](#) is a comprehensive schedule of the dates, times and places where Virgin Islands residents will be able to take advantage of this important opportunity.

The public is reminded that anyone wishing to receive the Influenza vaccine must bring with them their Immunization Card as well as one of the following items: Insurance card/information, Medicaid Card, or Medicare Card. Persons without any insurance coverage are welcome, D.O.H. said.

Each event will be conducted between 9 a.m. and 3 p.m.
