The St. Thomas East End Medical Center Corporation is releasing a request for qualifications (RFQ) notice for professional services for the architectural/engineering design of a new standalone facility.

STEEMCC is a Federally Qualified Health Center (FQHC), 501(c)(3) non-profit organization with responsibility for provision of comprehensive primary care services.

The health center is located at the Tutu Park Mall on the eastern end of St. Thomas, US Virgin Islands.

Interested parties may obtain the RFQ document package by written email request, only, to the attention of Cecil Thomas, capital projects manager. All requests for RFQ document packages must be submitted to the following email address: vendors@steemcc.org. The bid is due on November 30, 2020.
