Banco Popular's Orange Grove Branch By. ERNICE GILBERT FOR THE VIRGIN ISLANDS CONSORTIUM

ST. CROIX — Banco Popular announced Tuesday that its Orange Grove Branch on St. Croix will be closed until Friday, though the bank did not provide a reason for the closure.

During this period, ATM services will remain available, Popular said. However, night depository services will be suspended until the branch reopens. Pending the opening, the institution recommends its St. Croix clients to visit its Sunny Isle and Sunshine Mall

branches, according to the release.

Popular reminded its clients that they can always count on the online banking tools available to conduct their transactions. TeleBanco services will remain available 24 hours, seven days a week, Popular said.

For assistance, clients may call 1-888-724-3659. Any additional changes in operations will be notified through social networks and news media. For more information about Popular digital services, visit: www.popular.vi/online-banking/
