### One Love Gas Station gas prices as of Friday, March 12, 2021

The V.I. Dept. of Planning and Natural Resources on Friday said it has lifted a fuel delivery prohibition against the owner and/or operators of the One Love Service Stations located at the following addresses on St. Croix:

- One Love Golden Rock Service Station, 1C Orange Grove;
- One Love Princess Service Station, 36 EF La Grande Princess;
- One Love West Service Station, 33-B Hannah's Rest, St, Croix

The owners of the One Love Service Stations have obtained and submitted the required permits and certification and has paid all fines and penalties, thus satisfying DPNR's corrective order, said the agency.

"These regulations are designed to protect the public," DPNR Commissioner Jean-Pierre L. Oriol. "I commend the owners of One Love Service Stations for their quick action to resolve this and that moving forward they continue to properly manage their tanks to reduce any risks to their customers and community," concluded Commissioner Oriol.
