Kevin Williams Jr. has been known for years as the young child who has a successful business playing steel pan across the territory. But Kevin is no longer a young child; the young man, while still playing steel pan, has been recording music for some time now, and is ready to make his big debut at this year's Soca Monarch. He has two music videos releasing ahead of the competition, and Mr. Williams was interviewed by VI Consortium's Ernice Gilbert to talk about his journey. Watch.
