As the Delta variant of Covid-19 ricochets through the USVI, both public and private entities are being impacted, leading to operation interruptions.

The Dept. of Licensing and Consumer Affairs said its St. Thomas office would closed effective Wednesday "to allow for sanitization and deep cleaning of the facility." DLCA did not reveal how many employees in the St. Thomas office had tested positive for the virus.

The department advised the public to contact its St. Croix or St. John offices at 340.713.3522 or 340.713.6900 for assistance. "You may also use our online website to apply for a new/renewal business license or file a consumer complaint at [www.dlca.vi.gov](http://www.dlca.vi.gov)," DLCA said.

In the private sector, Oriental Bank issued a release Wednesday announcing that its Altona branch in St. Thomas would close "until further notice" after an employee there tested positive for the virus. "As a preventive measure, all employees at the branch will be tested and a thorough cleaning and disinfection of the branch will be conducted to ensure employee and customer protection," Oriental said.

The bank provided several other options for impacted customers:
