ST. CROIX — A man was shot and killed during a robbery incident in Williams Delight on the Queen Mary Highway Saturday night, after two victims got into a struggle with one of two robbery suspects, V.I.P.D. Public Information Officer Toby Derima has announced.

According to the news release, the 911 Emergency Call Center received notification of shots fired at about 7:45 p.m. Later at about 8:06 p.m., another report came in regarding a gunshot victim who was transported to the Juan F. Luis Hospital.

The second suspect left the area in the black sedan, according to the release.
