The Division of Personnel, GESB Health Insurance Board and Cigna have announced that each of the 1,200 participants of January's Health and Wellness Expo will receive a "swag bag" and a fresh produce bag from local farmers, along with a range of health and wellness items that encourage fitness accountability, self-care and healthy living. Only individuals who actively participated in the expo will receive the swag and produce bags.

According to the release, Division of Personnel's "Drive-Through Distributions," are scheduled at specific locations throughout the territory on March 14 (St. Croix), March 17 (St. John) and March 18 (St. Thomas).

Distribution details below:

St. Croix – March 14, 2022 at the Canegata Ball Park from 10:00 a.m. to 4:00 p.m.

St. John - March 17, 2022 at Cruz Bay BandStand/Gazebo at 3:00 p.m. to 5:00 p.m.

St. Thomas – March 18, 2022 at Griffith Ball Park from 10:00 a.m. to 4:00 p.m.

If you missed the virtual experience or any health initiative sponsored by the Division of Personnel, the Division of Personnel's YouTube page or GVI Wellness site has all the videos you need, along with a full recording of the main expo. According to the release, D.O.P. and its GVI Wellness Program will continue to work in conjunction with the GESC Health Insurance Board to create an ongoing organizational approach to improve and promote individual health for the GVI Community because health is wealth.

“We are extremely pleased with the turnout of the virtual expo,” V.I. Division of Personnel Director— Cindy Richardson said. “And now with most Co-vid restrictions lifted, we look forward to future collaboration and safe planning for more health initiatives that will aid all active GVI members and retiree’s journey towards healthy living!”
