We've uploaded over 200 pictures of the 2022 Agriculture and Food Fair, which takes place annually at the Schulerbrandt Agriculture Complex in Estate Lower on St. Croix. This year's event was the first since 2020, with the Covid-19 pandemic causing the cancellation of the 2021 event. Agrifest, as the fair is known, is also taking place in May this year, after organizers postponed the event from its February date because of a Covid surge that affected the territory at the time. The pictures are [here](#), and our video is [here](#).
