The Guardians Moko Jumbies at the old Armory Building on Hospital Street, across from Savant Restaurant. By. V.I. CONSORTIUM

The Guardians Moko Jumbies were unveiled in Christiansted on Sun. Nov. 13, 2022. They were first sculpted in oil clay over a wire framework armature. When the pieces were finished in the clay, rubber mold and plaster casting were added to them. From there, the pieces were scanned digitally and cast in bronze in a foundry and brought back to St. Croix.
