V.I. Dept. of Finance Commissioner Bosede Bruce on Friday urged all taxpayers to provide their financial institution details when filing their 2022 tax returns. "This will prompt the Department of Finance to issue tax refunds electronically, streamlining disbursements and contributing to efficient cash management," D.O.F. said.

The department urged taxpayers to see refund sections 35a, b, c & d on your 1040 U.S Individual Income Tax Return Form:

Refund Direct deposit? See instructions.	34	If line 33 is more than line 24, subtract line	
	35a	Amount of line 34 you want refunded to y	
	b	Routing number	
	d	Account number	
	36	Amount of line 34 you want applied to yo	

Streamlining government processes has been one of the Bryan administration's core goals, and today's announcement is another step in this direction.

D.O.F. said it is committed to providing efficient government financial services to the people of the Virgin Islands.
