MCN Build on Wednesday announced the U.S. Virgin Islands Subcontractor Opportunity Forum, taking place virtually on Tuesday, April 4, 2023 at 10:00 AM EST.

MCN Build is a general contractor specializing in K-12 educational facilities. The firm is contracted by the Virgin Islands Department of Education to be the Design-Builder for the Arthur Richards PreK-8 School project on St. Croix.

Officials from the USVI Government will share valuable information about the territory during the virtual opportunity forum.

At the forum, subcontractors will learn about the following:

- The design-build process
- Subcontracting opportunities
- Additional USVI project opportunities
- Business Licensing
- Workforce Development
