Get ready for a week-long feast of rhythm, dance, and cultural immersion at the inaugural Virgin Islands Salsa Festival. Announced to take place from July 25th to July 30th, 2023 on the island of St. Croix, the festival promises to be a spectacular celebration of Latin music, dance, food, and culture.

Renowned for its cultural diversity, St. Croix is set to transform into a buzzing hotspot of Latin fervor. Attendees can look forward to an all-star lineup of local artists, fashion models, and performers who will captivate audiences with their dazzling talents.

Headlining the event are the sensational Joey Hernandez y Puerto Rico es Salsa and Nikki Brooks, known for their riveting stage presence and infectious rhythms. Organizers say the performances

promise to be an electrifying showcase that leaves the audience breathless and craving more.

The festival is being organized by the Cruzan Dance Company. Thanks to the support of generous sponsors and partners, the Virgin Islands Salsa Festival aims to become a landmark event on the Caribbean festival calendar.

The festival not only celebrates local talent but also serves as a testament to the community's commitment to fostering unity through music, dance, and shared experiences, according to a release of the event issued Wednesday. "Don't miss this unique opportunity to be part of a historic cultural event," it reads.
