The Juanita Gardine PreK-8 School. By. V.I. CONSORTIUM

ST. CROIX — Students of the Juanita Gardine PreK-8 School will return to full days of instruction beginning Tuesday, the St. Croix Office of the Insular Superintendent announced on Monday afternoon.

The school had been running on a shortened class schedule due to work being done on the facility's electrical system. The completion of the upgrades mean that students, teachers and staff can return to regular hours.

Starting today, school will be in session from 8:15 to 3:15 Monday through Friday. Parents and students are encouraged to adjust their schedules accordingly.
